

RECONDITIONED CAMERAS. RELIABLE. DEPENDABLE.

Reconditioned systems offer a financially viable alternative to new equipment, with faster payback and lower capital outlay. And with our expert staff at Absolute Imaging Solutions®, strict quality control measures and stringent certification requirements, you can be sure that your reconditioned system will run like new. If you're not happy with it, we'll take it back. And yes, that's guaranteed.

Molecular Imaging... Guaranteed to meet your needs.

“Absolute Imaging Solutions is by far the best service company I have ever worked with. From the professional courtesy, to the outstanding response time that AIS provides, I could not imagine using a different company. This is one company that brings their ‘A’ game every time.”
